

CAREIT

FOOD DONATION APP

Careit helps businesses connect with local nonprofit organizations so surplus food can be donated easily. Careit is free, simple to use, and helps feed those in need in your community.

STEP 1. CREATE AN ACCOUNT

Download the Careit app or use your browser to visit careit.com. Select Business to create a new team or join an existing business as a Team Member if you've been invited.

STEP 2. CREATE A DONATION

Add a photo, a description of your donation, and details such as food type, food quality, and donation size.

STEP 3. POST & TRANSPORT

Match with an available local nonprofit or select your favorite from a list. Use in-app chat to arrange logistics for pick up, or offer to self-deliver.

STEP 4. COMPLETE DONATION

Package the donation for easy and safe transport. Nonprofit partners record weights or donation values on Careit.

STEP 5. VIEW RECORDS

Visit My.Careit.com to track your impact. View auto-generated liability agreements, partners, contact info, and donation data.
