

Maximize Your Corporate Impact.

Careit's streamlined donation platform lets you **track, report,** and **optimize** your donations, staff meals, and animal food recovery across all of your brand's locations—**all in one place.**

Centralized Dashboard

Cut waste disposal costs. Manage food and non-food donations, partner info, and compliance for multiple locations with ease.

Compliance Assurance

Customize partner onboarding and compliance procedures to ensure corporate policy and safety requirements are met.

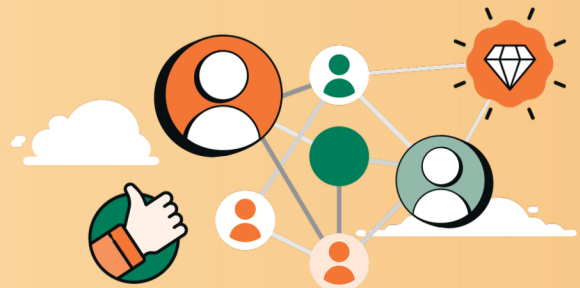

Robust Reporting

Access detailed reports to market your corporate environmental and social responsibility achievements and meet state waste diversion requirements.

Preferred Partner Prioritization

Careit helps you identify and onboards partners that align with your core values.

Ready to enhance your corporate social responsibility? **Contact us to schedule a demo or learn more.**
